

What Do  
you  
want  
to  
hear

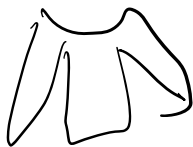

A hand-drawn diagram of a vertical container, possibly a vending machine or a display case. At the top, an arrow points down into the container. Inside the container, there is a rectangular sign with the text "What Do you want to hear". Below the sign, there are two compartments. The top compartment contains two simple line drawings of shirts. The bottom compartment contains a single line drawing of a plate with a swirl on it.

What Do  
you  
want  
to  
hear
